

CONFINED SPACE TRAINING

6160-06 CITY & GUILDS AWARD IN PLAN, MANAGE AND REVIEW
LEGISLATIVE AND SAFETY COMPLIANCE FOR WORK IN CONFINED SPACES

Ofqual no: 603/7277/1

Unit: 406 Level: Level 4

GLH: 47

Relationship to NOS: EUSCS06

This unit is endorsed by Energy and Utility Skills

The aim of this unit is to reflect the national occupational standard for planning, managing and reviewing legislative and safety compliance for work in confined spaces. This unit covers both water and non-water industry areas.

Water: this may include working with potable water, sewage treatment processes, drain and sewer cleaning operations, or where the operative is working in or near water, or where a confined space is subject to surface water flooding.

Non-water: this may include pharmaceutical, petrochemical, asbestos removal, vehicle manufacture and servicing, aeronautical, construction, communications, power, utilities gas, electrical and mechanical engineering and some elements of work operations in mines, quarries and tunnelling. This unit is for managers who are responsible for organising planning and managing work in confined spaces. The manager may or may not supervise the actual job.

It involves managing the work of others in, or at confined spaces; reviewing legal requirements; ensuring safety compliance; preparing procedures and appropriate documentation; and making suitable arrangements for dealing with emergencies.

Learning outcomes:

1. Plan the management of work in confined spaces
2. Manage confined space teams
3. Record and review legislation relating to confined spaces
4. Develop, monitor and confirm procedures for working in confined spaces
5. Understand environmental, legislative and health and safety compliance
6. Understand organisational requirements for confined space working
7. Understand plant, tools and equipment for working in confined spaces
8. Understand emergency arrangements and rescue plans
